## Journey Through the 7 Sacred Flames

8 Week – Online Course

The 7 Sacred Flames are **gifts** from the higher realms for us to manifest "Heaven on Earth" with ease and grace. As the Earth is shifting and resetting in these times, it is critical that we **clear** ourselves and **align** with the highest possible outcomes for ourselves and all beings. These 8 weeks will be a **transformational** journey of healing, empowerment, and magic, where we will learn how to **invoke** these rays of light to welcome **joy** and **harmony** in our lives and our world.

Each class features a **guided meditation**, in-depth knowledge of each flame, exercises for the week, and a **sound journey** to a Sacred Flame Temple where you will have the opportunity to further your awakening.

All classes are via **Zoom** on **Thursdays** from **7-8:30pm** from **October 1st - November 19th**. Recordings will be made available for later access.
